SPECIAL OFFER
NOW THROUGH AUGUST 31, 2020

HD DIESEL ENGINE OIL HIGH PERFORMANCE PETROLEUM DIESEL OIL 15W-40

Maxima HD Diesel is a fully formulated heavy-duty diesel engine oil. Advanced chemistry blended with high-quality petroleum base stocks offer excellent protection from the stresses of heat, soot and acids – preventing wear from deposits and corrosion. Elevated levels of detergent/dispersant help to eliminate the formation of larger combustion particles – minimizing soot-related viscosity increase – allowing for improved drain intervals.

Maxima HD Diesel maintains excellent film strength during high-temperature operation to ensure dependable protection, performance and fuel efficiency. Highly refined petroleum base stocks provide outstanding lubricity and resist oil loss due to oil volatilization.

Formulated to meet or exceed API CI-4 Plus specifications for heavy-duty diesel applications. HD Diesel is safe for use in modern and older diesel engines. HD Diesel is an excellent choice for light, medium and heavy-duty truck engines for optimum durability.

- API CI-4 Plus • Meets Or Exceeds OEM specs
- Ultimate Protection Of Critical Engine Components
- Ideal For Use In Duramax, Cummins And Power Stroke Engines
