## DEFECTIVE MERCHANDISE RETURNS

We will exchange any incorrect parts prior to installation. We will not assume any liability for loss or damage if the wrong part is installed and will in no way be responsible for the customer-assembled engine or components. The only warranties provided for materials and parts sold by EPWI are those issued solely by the individual manufacturer of the part or material. EPWI shall not be liable for any labor charges, or other costs or expenses incurred by customer's removal, replacement, adjustment, or repair of any part. EPWI assumes no liability or responsibility for any damages either direct or consequential. EPWI expressly prohibits and denies any person from issuing any expressed or implied warranty on its behalf. Manufacturers shall be the sole judges of all warranties. Any claims under the manufacturer's warranty must be accompanied by a warranty card that has been completed by the customer.
